Dear Chris:

When we had our last conference call we decided the way the legal system works in North Carolina it is impossible to choose a date during the week to meet as you can be called away at anytime and no real way of avoiding this.
We decided a Saturday in June would make the most sense.

Any week in June would be fine. CJ & I have tentatively chose June 17th.

We are assuming from our conversation that you would fly up.
You are correct that US Air has flights all day long and there would be no problem choosing a flight.

Please confirm ASAP so we all can plan our schedules.

Have a nice weekend.

/

Carl

Chris:

Just give us 2 dates to choose & how you want to proceed-either fly up or we will fly down
It's about time we met & review what's going on face to face. You agreed when we spoke in
April this would be good idea.

How long will it take for you to advise us so we can plan adequately.

Have a nice weekend
